# BILLBOARDS

## BENEFITS OVER OTHER MEDIA

Thousands of impressions day and night, billboards get results!

### Radio Spots

There are many options for listening to music today. Billboard messages don't compete with everything on air.

### Newspaper Ads

Readership of traditional news sources is declining. Billboards get your message directly to your customers every time they get in their car.

### TV Commercials

Savy TV viewers are doing their best to eliminate commercials and skip ads. You can't avoid a billboard.
